Safeguarding Newsletter No.1

Dear Parents/Carers,

Welcome to a new academic year. We hope you are well and staying safe at this very difficult period in time.

We are releasing a Safeguarding newsletter every half term to update families with information that could offer support or advice.

What is Safeguarding?

Safeguarding is a term that relates to the action taken to promote the welfare of children / young people and to protect them from harm.

Government documents entitled 'Working Together' 2018 and 'Keeping Children Safe in Education' 2020 can be found online (GOV.UK) and explain the importance of Safeguarding.

Our website has a range of policies for you to look at too. They highlight the staffs responsibilities and the referral process relating to Safeguarding.

We would invite families to familiarise themselves with them.

Here at St Paul's we believe that Safeguarding encompasses everything that we do in school, so that children are safe, well, healthy and ready to learn.
