REPORT TO MANAGEMENT
YEAR ENDED 31 AUGUST 2021

REPORTING TO THE BOARD OF TRUSTEES

We have pleasure in submitting our audit findings report to the board of trustees of St Paul's Church of England Academy Trust, which set out the findings from our audit of the statutory financial statements of the academy for the period ended 31 August 2021. Auditing standards require us to communicate to those charged with governance various matters from our audit including:

- ▶ our views about significant qualitative aspects of the Academy's accounting practices, including accounting policies, accounting estimates and financial statement disclosures,
- ▶ significant difficulties, if any, encountered during the audit,
- ▶ any significant matters arising during the audit and written representations we are requesting,
- ▶ circumstances that affect the form and content of our Auditor's Report, if any, and,
- ▶ any other significant matters arising during the audit that, in our professional judgement, are relevant to the oversight of the financial reporting process.

This report, sets out matters arising which we believe should be brought to your attention. The matters included have been discussed with management during our audit and we have incorporated their responses and proposed actions.

These matters have come to light during the course of our normal audit and assurance tests which are designed to assist us in forming our opinion on the financial statements and providing a limited assurance conclusion on regularity. Our tests may not necessarily disclose all errors or irregularities and should not be relied upon to do so. However, any irregularity which has come to our attention during our audit and assurance tests is reported in this document.

FINANCIAL SYSTEMS AND CONTROLS

- ▶ We have set out in this section key internal control matters identified during our audit work which we believe should be reported to you.
- ▶ Our evaluation of financial systems and controls relevant to the preparation of the financial statements of St Paul's Church of England Academy Trust was carried out for the purposes of planning and executing our audit of those financial statements. Accordingly, it is not intended to be a comprehensive review or opinion of the organisation's processes and control environment and would not necessarily reveal all weaknesses in accounting practice or internal controls which a special investigation might highlight, nor irregularities or errors which are immaterial to the financial statements.
- ▶ As part of our planning and audit work we reviewed the findings of your internal audit reports.

	Findings categorised in red are a key concern which exposes the academy to a high degree of unnecessary risk and where the recommendation should be a priority of the trustees.
	Findings categorised in amber are a significant concern which exposes the academy to a moderate degree of unnecessary risk and where improvement is believed to be required.
	Findings categorised as green are a minor concern where action is not required but the suggested improvement should be considered or has already been actioned.
