

Admissions Policy 2023- 2024

We walk by faith and not by sight: 2 Corinthians 5:7

This document has been taken from the Sandwell Local Authority Admission Team's Policy and Procedures. At St Paul's C of E Academy, we do not make any changes to the Local Authority's Admission Policy.

Admission numbers for St Paul's C of E Academy 23/24 is 30 per year group.

Admissions priorities for places in oversubscribed community and controlled primary school's academic year 2023/2024

1. A 'looked after child' or a child who was previously looked after but immediately after being looked after became subject to an adoption, child arrangements, or special guardianship order including those children who appear to have been in state care outside of England and ceased to be in state care as a result of being adopted. A looked after child is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions as defined by section 22 (1) of the Children Act 1989 at the time of making the application for a school place
2. Children with a particular medical condition. Applications submitted under this criterion must be accompanied by a medical declaration form (ASU75M) signed by the child's general practitioner or consultant confirming the condition, detailing the child's needs and specifying why, in their opinion, the preferred school is the only or most appropriate to meet the child's needs. All applications under this criterion will be assessed by the local authority to decide whether the child's needs can be met most appropriately by the preferred school.

3. Children having a brother or sister on roll at the school (not nursery), at the time of admission.
4. Children accepted on denominational grounds¹, supported by the church. Applications based on this criterion must be accompanied by a completed declaration form (ASU75/VC) signed by a priest, minister or community leader to signify attendance at church on at least one occasion per month.
5. Children prioritised by distance measured in a straight line from a child's home² to the school's main entrance (as determined by the Principal).

In all cases, should the number of applicants exceed the number of places available, places will be allocated on the basis of distance between home and school, as measured in a straight line from home to the main entrance to the school with priority being given to those living closest to the school.

NB. Children with a Statement of Educational Needs or an Education & Health Care Plan (EHCP) (previously known as Statement of Educational Needs), naming a particular school will be admitted before all other applicants.

Additional Policy Statements

The following additional policy statements are included in the local authority admission Arrangements and adopted by the Governing Board of St. Paul's C of E Academy.

a. Late applications

Late applications for places will only be considered alongside those received by the closing date under the following circumstances:

- When the applicant has bought, rented or leased a house or flat and has moved into Sandwell after the closing date, but before the allocation of places has been made.
- When the applicant has moved home within Sandwell to an address more than three miles from their previous address but closer to the preferred school after the closing date but before the allocation of places has been made.
- When a child who is in public care (looked after) or was previously in public care moves into Sandwell after the closing date, but before the allocation of places has

¹ Applicable only to schools that are designated by the Secretary of State as having a religious character.

In light of the measures advised by the Government in response to the outbreak of Coronavirus; Criterion 5 of this Admissions Policy (Attendance at Church on at least one occasion a month) will not apply for the period that public worship has been suspended as it has not been possible for anyone to take part in public worship.

² Measured from the Ordnance Survey address point for the property. In all cases, should the number of applicants exceed the number of places available, places will be allocated on the basis of distance between home and school, as measured in a straight line from home to the main entrance to the school building with priority being given to those living closest to the preferred school.

been made. When a sibling has commenced at the preferred school after the closing date but before the allocation of places has been made.

- When the applicant is a single parent and was prevented from submitting their application on time due to long term illness of more than six weeks duration from the date on which application forms became available.

If your application is received after the closing date and not covered by one of the circumstances detailed above then it will be processed after consideration of all on time and accepted late applications.

b. Waiting lists

Places will be offered initially to applicants whose forms have been received by the closing date or whose application has been considered as being made on time (under 1 above). Any preferences which cannot be met following the application of the admission priorities together with any late requests which have been made and which the local authority does not consider as being late for a good reason will be put on a waiting list which will be ranked in accordance with the published admission priorities. Waiting lists will be maintained until the end of the autumn term preceding the year of entry and will then be discarded. Places will only be offered from the waiting list in the event that the number of confirmed offers (including those offered as a result of independent appeals) is less than the published admission number.

c. Further applications in the same academic year

The local authority will only consider more than one application in the same community or

controlled school in the same academic year if one or more of the following significant changes apply:

- i. The child becomes looked after by the local authority;
- ii. The child has a medical condition which was not present when the previous application was considered;
- iii. The child's brother or sister has been admitted to the school for which the application has
- iv. been made and was not there at the time of the last application;
- v. The applicant has changed address since the previous application was considered and the
- vi. applicant now lives closer to the school for which the application was made;
- vii. A vacancy arises in the relevant year group.

d. Changing or adding new preferences

Once a parent/carer has applied they will be able to amend it online before the closing date. However, if the closing date has passed it will not be possible unless they meet the criteria to be considered as a "late" application (in section a above).

e. Twins and multiple births

Special conditions will apply in the event that one child from a set of twins or other multiple births does not gain admission to the preferred school through the admissions criteria. The local authority will exceed the admission number for the school concerned to prevent separation of twins or children from multiple births.

f. Tie breaker

In the event that two or more applicants tie for last place during the allocation process the final place shall be decided by the tossing of a coin.
