

# Operation Encompass

Supporting children through key adults

In every force, in every school, for every child

**Operation Encompass is a Police and early intervention safeguarding partnership that supports children and young people exposed to Domestic Abuse. It aims to ensure schools are notified in a timely manner of any Domestic Abuse incident where child/ren are present or registered at the address. This early notification should mean that, in the majority of cases, schools are alerted in readiness for the children arriving at school the first working day following an incident.**

Operation Encompass is the early reporting on to schools that a child or young person has been exposed to domestic abuse
