

Dear Parents and Carers,

This week is Children's Mental Health Week, this year's theme is "This is My Place", which is all about helping children feel that they belong, are valued, and know that our school is a place where they matter.

Mrs Hartland has worked with the children to create a lovely display of some of our favourite places for us all to see in school.

Half term is nearly here, I hope that you all have a relaxing break and I look forward to seeing you back at school on Monday 23rd February.

Best Wishes

Educational Enrichment

We have 2 workshops booked for after half term, one as part of our Science Week work and one linked to World Book Day. These workshops are excellent, boosting motivation, well being, and personal development, they help to make learning memorable, meaningful, and fun. School has heavily subsidised these workshops, we would be grateful if contributions could be sent into school by Friday 13th February. Thank you for your continued support.

Car Parking

A gentle reminder about car parking, please park safely and be considerate of other drivers and pedestrians. Your co-operation helps keep everyone safe and ensures a positive start and end to the school day.

Class Worships

Year One are looking forward to leading our Worship tomorrow, I am sure that you are looking forward to sharing this special occasion with them. Reception will be leading Worship on Friday 13th March.

National Year of Reading

This year is the National Year of Reading, Mrs Crosby has sent home some activities to complete during February. Of course we are also looking forward to World Book Day on Thursday 5th March, where the children can come into school dressed as a book character. Thank you for supporting this.
